

## Overnights at Wee Paws Playhouse!

Overnights at the Playhouse are fun, safe and restful. We do NOT provide boarding at the playhouse, we offer extended hours. If your fur-baby is here, we are here too!

We are 100% cage-free, kennel-free and leash-free overnight care. Security System w/24 hour response.

A member of our family is at the playhouse ALL NIGHT with your fur-baby.

Your fur-baby can choose from raised beds, padded floor beds, or cooling pads to sleep on.

Toys, movies and entertainment.

Beds are limited so reserve early.

## ABOUT US...

Wee Paws Playhouse is now family owned. Anthony and Kathy Cook with daughters Shannon and Nicole are the proud owners. We are here to meet your little one's play and care needs.

## LETS HAVE FUN!

First time guests are introduced slowly and placed in the "puppy playpen" so as not to be overwhelmed. They get used to all the smells, noise and other dogs in safety. When they are ready, they will join the play group.

We strive to know each of our fur-babies personally. We work to know what it is that your dog likes, and doesn't like to play with. You will never have to wonder what your fur-baby did all day. There is always a member of our family in the playhouse at all times, so you will get to hear about their friends and activities throughout the day.

## Why bring your dog to our Daycare?

- Great fun and exercise
- Meet new friends
- Balls and other toys to play with.
- Keep your pet from being bored.
- Socialization with different small breeds
- Personalized play to curb destructive behavior at home.

We discourage "indiscriminate" barking with a quiet voice sound, so your dog is not in a stressful environment. We understand it is a dog's job to bark when someone enters, or to warn us when a "stranger" enters their space and to "bark talk" while playing.

## DOG PLAY

Please be aware that tiffs and squabbles can and do occur even under our watchful eye. Remember, dogs play and wrestle with their paws and teeth. If your dog is injured we will take appropriate action, including obtaining medical attention if necessary. If your dog injures another dog, you are solely responsible for any vet costs incurred.

ALL DOGS must be dog and people friendly and play well with others.

Keep in mind that accidents do happen, but true signs of aggression will not be tolerated and you may be asked to pick up your dog.

## FROM YOUR VET...

All dogs must be current on shots. A copy of your veterinarian certificate is required at time of registration. Bordella vaccination (kennel cough) is mandatory in a daycare environment. Let your Vet know he attends daycare, your Vet may want to vaccinate more often.

We strive to keep our facility clean, your dogs' health and well-being is our main concern. ALWAYS consult your Vet with any concerns.
